E.P.H.S. WINS DOUBLE-HEADER

EAGLES BEAT TALENT

21-16 SCORE OPENS CONFERENCE

In the opening conference game at Talent last Friday night, the Eagle Point basketball team won both games of a double header. The first game between the second teams was very rough and play was close with the lead changing hands every minute or so. The score was tied up at 17 all when the game ended. Clave, who had been sparking the offensive drive, clinched it for E. P. with a basket in the overtime period. The score was 19-17. Clave for E. P. and Bostwick for Talent tied for top honors with 8 points each.

The first team game was rough and ragged with shooters of Talent driving for the basket. He was effectively stopped by Willard Walch who seemed to enjoy the game most when the going was toughest. A strong defensive game, as the eight scattered baskets showed, reached a fitting climax when Talent was held scoreless through the last quarter. The offensive drive, led by Dahack, didn't click so well but the new system opened up the opponents enough for Dahack to

ATHLETIC HOPES BRIGHTEN

ELIGIBILITY RULE IS CLARIFIED

For a week or two the eligibility of two of our experienced athletes, Eddie Dehack and Elmer Harnish, was a question. During this time those boys were off the team. A letter from Sec. Troy D. Walker of the Athletic Association cleared up the ruling and the two players are permitted to continue in athletic participation. Eddie and Elmer are expected to add considerably to our basketball and baseball success this school year.

Sandy Clave becomes eligible for interscholastic competition at the beginning of the new semester. We are expecting Sandy to be a valuable asset to the team.

STUDENT MEETING FIRST OF NEW YEAR

The first Student Body Meeting of the new year was held last Monday at 2:45 p.m. The president, David Hannaford, presided. The big topic for discussion was how to spend the \$60.00 now in the treasury. It was finally decided that \$15.00 be set aside for a

FOOTPRINTS IN THE SANDS OF TIME

Again the time of year has rolled around when we find our prized baseball field slowly being ruined by thoughtless people. When the field was made and leveled, it was not intended to be a race-track or an u

Automobiles weren't invented for writing ones name in slushy mud with the tracks left by the tires.

The boys who help put the field in proper condition every fall and spring know what a tedious job it is, so we are sure they wouldn't so much as think of messing it up again.

Think twice, you offenders, and if the urge to race or show your daring bravery seems to overwhelm you, just take off at full speed and race with harm and destruction to your heart's content, just so long as it isn't on our baseball diamond.

Book Exchange Service

The E.P.H.S. Book Exchange will enlarge its field of service during the new semester by adding to its rental list the senior economics text and the freshman literature.

This service was rendered for the first time in the Eagle Point High School this year. A grant of \$100., from the district provided the nucleus of a circulating fund for that purpose, and to this has been added the profits from handling other texts through the exchange.

To date the exchange has supplied for rental the newly adopted composition texts for Freshman and Sophomore English, typing tests, junior history and senior sociology. The addition of freshman literature and senior sociology will make seven series of texts provided for rental this year, and according to the exchange director a nice balance of cash will be left on hand for next year's service.

The freshman class will use a new adoption in literature while the sophmores will continue to use the old "Romance." The English instructor prizes "Romance" too highly to discontinue its use.

With more of the students taking a share of the work on their shoulders, the original paper staff is finding it easier to get their work done. The paper will be published on time from now on. The staff is trying an entirely new schedule where each student has a certain job to be done by a specified time. (S.C.)

slip through for eleven points and high scoring honors for the evening. He was followed by Skeeters of Talent with eight points and Hannaford of Eagle Point with six. The game ended 21-16.

SENIORS

Here it is a New Year and as usual the seniors had to make a few resolutions to break. We thought maybe our public would be interested in knowing how we plan to improve ourselves.

May Putman-- I resolve to be a good girl in school.

Jessie Beaulieu-- I firmly resolve to get up fifteen minutes earlier in the mornings and have my hair combed before I get in the bus--I hope.

William Cummons--I resolve to keep my lips tightly sealed in Senior Sociology class and let my temper boil.

Marlie Tent--I resolve to get my share of the senior news so the "reporter in chief" won't kick.

Gladys Rusho--I resolve to make no resolutions because they would only be broken.

Hazel Hutchison--I hereby resolve to do my best to keep from disappointing too many people--especially the male sex.

Lee Hobbs--I resolve to leave "Jerry" alone for one month; also to eat more eggs at Hank's.

Eddie Crandall--I resolve to make no proposals during the coming year---it's the girls' turn.

Elmer Harnish--I resolve to leave the girls alone during the coming year for the good of my health.

Carl Short--I resolve not to ask a certain Senior girl, "Is it you?" when I meet her in broad daylight at Union Creek.

Sandy Clave--I resolve not to pester my sister---much.

Doris Bellows--I resolve to get more Senior news; also, to wring the water out of my hat before getting on the bus on rainy days.

David Vestal--I resolve to furnish my own stationery for writing personal letters--including stamps and envelopes.

C. J. Resolutions

Dave Hannaford--I resolve to keep on saving a place for a certain Junior girl in Bookkeeping.

Johnny Woodrich--I resolve to not make Eddie Crandall laugh ~~any~~ much in Bookkeeping.

Louis Walch--I resolve to keep on being quiet.

P.T.A. NEWS

There will be a P.T.A. Meeting Friday, January 12 at 2:45 p. m. at the High School. Entertainment will be provided.

COUNTY COUNCIL MEETING

On Wednesday, January 17, the Jackson County Council of Parent Teachers will meet at the Eagle Point Grange Hall. Mrs. Bessie Elhart of Ashland, council president, will preside.

The meeting convenes at ten thirty a.m. The public is invited to attend.

A thirty-five cent luncheon will be served at noon by our own P.T.A. members and the members of the H.E.C. of the Grange.

Mid semester exams have us all a jitter.

A great deal of interest is being shown over the selection of two teams to play between the halves of the basketball game.

Most people seem to have survived the holidays in good health.

Good work high school; keep on winning.

NOON GAMES ARE POPULAR

There seems to be a growing interest in the games played in the gym at noon. Mr. Hay, who is in charge, never has trouble finding enough willing boys and girls to have a good volley-ball game. Mr. Hay always takes part in these games, too.

The ping-pong tables are also in constant use at noon by those who would rather play ping-pong than volley-ball.

BUTTE FALLS WINS GAME

A very exciting basketball
 game between Eagle Point and
 Butte Falls was witnessed in the
 Eagle Point School gym Tuesday
 night. At the end of the first
 half the score stood: Butte Falls,
 16; Eagle Point, 7. In the fourth
 quarter Eagle Point's defense
 seemed to be weakening, and the
 Butte Falls team scored fast. The
 final score was: Butte Falls, 38;
 Eagle Point, 20.
